# App Architecture: iOS Application Design Patterns in Swift PDF

by Chris Eidhof : **App Architecture: iOS Application Design Patterns in Swift**

ISBN : #1719030251 | Date : 2018-05-13

Description :

PDF-babfc | This book explains a range of application design patterns and their implementation techniques using a single example app, fully implemented in five design patterns. Instead of advocating for any particular pattern, we lay out the problems all architectures are trying to address: constructing the app's components, communicating between the view and the model, and handling non-model state. We show... *App Architecture: iOS Application Design Patterns in Swift*
