Description :

PDF-37166 | Every designer has had to justify designs to non-designers, yet most lack the ability to explain themselves in a way that is compelling and fosters agreement. The ability to effectively articulate design decisions is critical to the success of a project, because the most articulate person often wins. This practical book provides principles, tactics, and actionable methods for talking about designs... *Articulating Design Decisions: Communicate with Stakeholders, Keep Your Sanity, and Deliver the Best User Experience*
