Description :

PDF-357bb | A New York Times Bestseller! Bronze medal winner of the Living Now Book Awards for Parenting! In just a few years, today's children and teens will forge careers that look nothing like those that were available to their parents or grandparents. While the U.S. economy becomes ever more information-driven, our system of education seems stuck on the idea that "content is king," neglecting other skills t... *Becoming Brilliant: What Science Tells us About Raising Successful Children (APA Lifetools: Books for the General Public)*
