Description :

PDF-57bce | This casebook traces the development of contract law in the English and American common law traditions. Like earlier editions, the 8th edition features authoritative introductions to major topics, carefully selected cases, and well-tailored notes and problems. The casebook is ecumenical in its outlook, presenting a well-balanced approach to the study of contract law without ever losing sight of th... *Cases and Materials on Contracts (University Casebook Series)*
