Description :

PDF-b1606 | This book focuses on anti-discrimination law in order to identify commonalities and best practices across nations. Almost every nation in the world embraces the principle of equality and non-discrimination, in theory if not in practice. As the authors' expert contributions establish, the sources of the principle vary considerably, from international treaties to religious law, traditions and more. ... *Comparative Perspectives on the Enforcement and Effectiveness of Antidiscrimination Law: Challenges and Innovative Tools (Ius Comparatum - Global Studies in Comparative Law)*
