# Data Science for Startups PDF

by Ben G Weber : **Data Science for Startups**
ISBN : #1983057975 | Date : 2018-06-02
Description :
PDF-6058c | Many startups are now hiring data scientists as early employees, but it's often unclear how someone in this role can have impact at a small organization. The goal of this book is to provide an overview of how to make a startup more data driven, and covers topics ranging from tracking data to data pipelines to predictive modeling at scale. It is intended for analysts and data scientists that want... *Data Science for Startups*
