Description :

PDF-89957 | The most effective engineers — the ones who have risen to become distinguished engineers and leaders at their companies — can produce 10 times the impact of other engineers, but they're not working 10 times the hours. They've internalized a mindset that took me years of trial and error to figure out. I'm going to share that mindset with you — along with hundreds of actionable techniques and ... *The Effective Engineer: How to Leverage Your Efforts In Software Engineering to Make a Disproportionate and Meaningful Impact*
