The Elements of Computing Systems: Building a Modern Computer from First Principles PDF

by Noam Nisan : **The Elements of Computing Systems: Building a Modern Computer from First Principles**

ISBN : #0262640686 | Date : 2005-03-31

Description :

PDF-24e53 | In the early days of computer science, the interactions of hardware, software, compilers, and operating system were simple enough to allow students to see an overall picture of how computers worked. With the increasing complexity of computer technology and the resulting specialization of knowledge, such clarity is often lost. Unlike other texts that cover only one aspect of the field, *The Elements... The Elements of Computing Systems: Building a Modern Computer from First Principles*
