Description :
PDF-3917a | In spite of the proliferation of online learning, creating online courses can still evoke a good deal of frustration, negativity, and wariness in those who need to create them. The second edition of Essentials of Online Course Design takes a fresh, thoughtfully designed, step-by-step approach to online course development. At its core is a set of standards that are based on best practices in the fi... *Essentials of Online Course Design: A Standards-Based Guide (Essentials of Online Learning)*
