ISBN : #1526126168 | Date : 2018-10-01

Description :

PDF-c57e3 | This book is a cultural history of the interplay between the Western genre and American gun rights and legal paradigms. From muskets in the hands of landed gentry opposing tyrannical government to hidden pistols kept to ward off potential attackers, the historical development of entwined legal and cultural discourses has sanctified the use of gun violence by private citizens and specified the cond... *Gunslinging justice: The American culture of gun violence in Westerns and the law*
