Description :

PDF-4021b | How will democracy end? And what will replace it? A preeminent political scientist examines the past, present, and future of an endangered political philosophy. Since the end of World War II, democracy's sweep across the globe seemed inexorable. Yet today, it seems radically imperiled, even in some of the world's most stable democracies. How bad could things get? In *How Democracy Ends*, David Runciman... *How Democracy Ends*
