How to Design Programs: An Introduction to Programming and Computing (MIT Press) PDF

by Matthias Felleisen : **How to Design Programs: An Introduction to Programming and Computing (MIT Press)**
ISBN : #0262534800 | Date : 2018-05-04

Description :

PDF-5c9b3 | A completely revised edition, offering new design recipes for interactive programs and support for images as plain values, testing, event-driven programming, and even distributed programming. This introduction to programming places computer science at the core of a liberal arts education. Unlike other introductory books, it focuses on the program design process, presenting program design guidelines... *How to Design Programs: An Introduction to Programming and Computing (MIT Press)*
