Description :

PDF-ff30b | There is currently a silent pandemic leaving millions of people feeling alone and confused, struggling to escape the self-doubt, fear and so many unanswered questions. Invisible abuse is rarely talked about because of how hard it is to pin-point, even by mental health professionals. Fortunately, there is a growing wealth of information available, particularly around the term narcissistic abuse. Af... *The Journey: A Roadmap for Self-healing After Narcissistic Abuse*
