Description :

PDF-e3c7e | Bringing a baby into the world and experiencing motherhood for the first time is such a miracle. Becoming a mom opens your eyes into a whole new kind of love, something so hard to explain yet so amazing to experience. However, there is no question that pregnancy can be very taxing on the body with so many changes happening physically, mentally, and emotionally. Although every woman has their own u... *Kale and Kegels: Helping women experience a healthier, happier motherhood.*
