Description :

PDF-e33d0 | You will repeatedly hear the same criticism of most Excel 2016 books: "you have to already know Excel to understand the book". This book is different. If you have no previous exposure to Excel 2016, and your only computer skill is using a web browser, you'll have absolutely no problems working through the lessons. Everything is concisely described in a way that absolutely any student, of any age o... *Learn Excel 2016 Essential Skills with The Smart Method: Courseware tutorial for self-instruction to beginner and intermediate level*
