ISBN : #3659878537 | Date : 2016-10-07

Description :

PDF-130ca | The public sector will likely play a lead role in urban water services; however, considerable untapped potential exists with local private companies that bring local knowledge and business skills. Legal and regulatory reform can serve to harness this potential. This book examines the legal framework to enable local private sector participation in urban water services. An assessment and reform appr... *Local Private Sector Participation in Urban Water Services: A Legal and Regulatory Framework*
