A Philosophy of Software Design PDF

by John Ousterhout : **A Philosophy of Software Design**

ISBN : #1732102201 | Date : 2018-04-06

Description :

PDF-12be0 | This book addresses the topic of software design: how to decompose complex software systems into modules (such as classes and methods) that can be implemented relatively independently. The book first introduces the fundamental problem in software design, which is managing complexity. It then discusses philosophical issues about how to approach the software design process, and it presents a collect... *A Philosophy of Software Design*
