Description :

PDF-aa859 | Refugees and migration are not a new story in the history of humankind, but in the last few years, against a backdrop of huge numbers of migrants, especially from war-torn countries, they have again been a topic of intensive and contentious discussion in politics, the media and scientific publications. Two United Nations framework declarations on the sustainable development goals and on refugees a... *Refugees and Migrants in Law and Policy: Challenges and Opportunities for Global Civic Education*
