Description :

PDF-502e0 | School shootings scare everyone, even those not immediately affected. They make national and international news. They make parents afraid to send their children off to school. But they also lead to generalizations about those who perpetrate them. Most assumptions about the perpetrators are wrong and many of the warning signs are missed until it's too late. Here, Peter Langman takes a look at 48 ... *School Shooters: Understanding High School, College, and Adult Perpetrators*
