Description :

PDF-c4cb6 | Why most of what you read about change management is nonsense...Is it time to euthanize Change Management, and replace the concept with Change-Agile Businesses and Change Leadership? Why? More importantly, how? Turbulent environments demand constant change, but the mindset, skills, and behaviors taught to business leaders are unhelpful and sometimes flatly misleading. What is more, many high-prof... *The Science of Successful Organizational Change: How Leaders Set Strategy, Change Behavior, and Create an Agile Culture*
