Description :

PDF-6cc95 | A child doesn't want to leave the toy store, so he stops and flops. Another bolts across a busy parking lot, turns and smiles at his mom. An eighteen-year-old student bursts into tears when asked to change activities at school. Sound familiar? These and other common behavior issues in children with Down syndrome can quickly become engrained and may even persist into adulthood. No parent wants tha... *Supporting Positive Behavior in Children and Teens with Down Syndrome: The Respond but Don't React Method*
