Description :

PDF-12d95 | It Takes Two to Talk gives parents the tools to make early language intervention a natural, ongoing part of everyday life with their child. New checklists and goal charts in the first chapter make it easier for parents and professionals to identify the child's stage of communication and choose the most appropriate interaction and communication goals right from the start. With a heightened focus on... *It Takes Two to Talk: A Practical Guide For Parents of Children With Language Delays*
