Description :

PDF-4060c | If this were 1923, this book would have been called "Why Radio Is Going to Change the Game" . . . If it were 1995, it would be "Why Amazon Is Going to Take Over the Retailing World" . . . The Thank You Economy is about something big, something greater than any single revolutionary platform. It isn't some abstract concept or wacky business strategy—it's real, and every one of us is doing business... *The Thank You Economy*
