Description :

PDF-f8323 | Digital transformation is not about technology--it's about change. In the rapidly changing digital economy, you can't succeed by merely tweaking management practices that led to past success. And yet, while many leaders and managers recognize the threat from digital--and the potential opportunity--they lack a common language and compelling framework to help them assess it and guide them in respondi... *What's Your Digital Business Model?: Six Questions to Help You Build the Next-Generation Enterprise*
